

POWER PADDLE TO PUYALLUP

 2018 

Canoe Journey 2018 kicked off July 28 with the landing of the canoes and will continue through Saturday, Aug. 4 when the Puyallup Tribe “takes the floor.”

Protocol, the opportunity for canoe families to share their songs, dances, give gifts, recognize individuals and just have fun, has begun and we are halfway through this awesome celebration. There are 57 tribes or canoe families signed up to “take the floor”.

For those of you interested or are unable to make it to the canoe journey celebrations, you can take a glimpse of what takes place at this awe inspiring event at [2018 Canoe Journey](#).
